

The Elms
Chapel Hill
Leeds. March 27/76.

My dear Mr Garrison

" With this, I introduce
to you my brother in Law
Mr George Buckton
of Leeds & his daughter
who are visiting our
Country for a few weeks
this summer, & may
spend a day or two in
Boston & any attention
you can show them,
or your son Frank,
will be greatly valued
by them, & for which I shall
feel obliged - If the

Chances of Valley Falls
should be in Boston at the
time of Mr Buckston's
visit will you kindly
introduce Mr Buckston
to them, or tell him the
readiest mode of reaching
them, if he has time to
visit V Falls. Perhaps
an introduction to our
friend Wendell Phillips
if Mr P should be in Boston
would be enjoyed by Mr
Buckston or any one else
you think likely. Hoping
this may find you better
than when I last wrote

By on & with kind
regards to the Members
of your family circle
Believe me ever
My dear Mr Garrison
Yours very faithfully
Joseph Lupton.

R.H.
If you had the opportunity
could you introduce Mr
Buckster to R.W. Emerson
if residing near Concord.
